Section 104 Information Request dated March 30, 2001
Centredale Manor Restoration Project Superfund Site, North Providence, R.I.

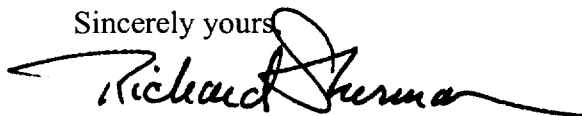

Dear Ms. Murray:

On behalf of Original Bradford Soap Works, Inc., I am writing to acknowledge receipt of the above-referenced letter and to request an extension of time until June 1, 2001 to respond to the Request.

The reason for such request for extension is that it will take Bradford executives and personnel a substantial amount of time to review company records and conduct such other research as necessary in order to respond to the very detailed Request, particularly with respect to information concerning Bradford's operations between 1952 and 1969.

Please contact me to confirm that this request for extension of time has been granted. If you have any questions, please feel free to call me.

Sincerely yours

Richard A. Sherman
